

## **Council Corner**

**October and November 2023**

### **Hayle Civic and Community Service**

This year's Civic and Community Service will take place at St. Elwyn's Church on Sunday 22 October at 3pm. This year the Mayor has chosen "The Natural World around us" to be the theme. We welcome all members of the Community to attend and there will be light refreshments served afterwards.

### **Remembrance Sunday**

The town council has agreed to take on the management of the Remembrance Sunday Parade and the service at the war memorial, with Hayle Royal British Legion's support. Nearer the time full details confirming arrangements will be publicised on the local social media pages as well as on our website.

### **Hayle Open Air Swimming Pool**

The pool closed on 10 September, after another successful season. The weather was not always on our side, but the pool was as popular as ever, with tickets selling out fast on sunny days. Thanks to the lifeguarding team for your efforts this year and for keeping it running smoothly.

### **King George V Memorial Walk**

Members of the public have been enjoying the walk traffic free, since the implementation of Cornwall Council's Highways Traffic Regulation Order (TRO) came into force through the summer. Access is now restricted to Residents and Emergency vehicles only.

### **Allotments**

We were delighted to finally be able to open the new allotments, adjacent to the existing site at Lethlean Lane, after much public demand. These have been offered those on the waiting list in order, which will greatly reduce this list. The Town Council made this a priority following the Visioning work and the formation of its Action Plan.

The Mayor of Hayle, Councillor Anne-Marie Rance was thrilled to officially open the new allotments and present local group Sustainable Hayle, with a plot to be used for Community use, which has been donated by Hayle Town Council.

If you are a resident of Hayle and are interested in putting your name down on the waiting list for an allotment. Please contact us via email: [info@hayletowncouncil.net](mailto:info@hayletowncouncil.net) or telephone 01736 755005.

## **Hayle Community Action Group**

HCAG are currently looking at becoming a Charitable Incorporated Organisation. The main reason for becoming a CIO is to be able to access funding for projects around the town. Anyone interested in getting involved should get in touch with [julie.baldwin@hayletowncouncil.net](mailto:julie.baldwin@hayletowncouncil.net) for more information.

HCAG is open to everyone. You do not have to commit to coming to every meeting and can get involved with projects that you are passionate about. The next meetings are at 7pm on Tuesday 7<sup>th</sup> November, 5<sup>th</sup> December and 16<sup>th</sup> January (venue to be confirmed). Details of meetings are available on the HTC website.

## **Hayle Health and Wellbeing Festival**

Hayle Health and Wellbeing Festival took place 22<sup>nd</sup> – 24<sup>th</sup> September with many local businesses and organisations taking part and making it a real success. People were given the opportunity to try a range of different activities to help support their health and general wellbeing. A big thank you to everyone that took part, especially all those that provided activities.

Hayle Health and Wellbeing Festival isn't just about one weekend in September – it's the beginning of a year-round exploration of well-being. We're thrilled to introduce our monthly sessions that carry forward the festival's essence, focusing on the four core themes of **Connect, Move, Explore, and Eat**.

Whether you want to learn or share ideas we encourage your active participation. If you have an idea for a session that aligns with these themes, reach out to [julie.baldwin@hayletowncouncil.net](mailto:julie.baldwin@hayletowncouncil.net). We're keen to hear from community members who want to lead workshops, discussions, or activities in-person or online.

Our first session is an insightful online talk at **7pm on Tuesday 10th October** about "Health, Wellbeing, and Seals." Join us as **Sue Sayer MBE** from the **Seal Research Trust** shares her decades of observations on seal behaviour, offering an intriguing perspective on the links between their world and ours. This engaging session, suitable for anyone over 12, invites schools, colleges, nature lovers, and businesses to come together and explore the interconnectedness of our environment. You can book via Eventbrite: <https://www.eventbrite.co.uk/e/713664789597?aff=oddtcreator>
